Malo – Design by Rolf Heide

Welcome to the relaxation zone of your home. Welcome to malo, probably the most modern interpretation of comfort and cosiness. Be enticed by finishes in high-gloss or matt lacquer, leather or fabric; beds with or without a head end; with feet or a frame; with wall panels and storage spaces or with night tables; high or low; wide enough for two people or separable. Whichever way – malo invites you to sink elegantly into Morpheus's arms.
