Masai – Design: Lievore Altherr Molina

A collection of chairs and armchairs with a simple and refined design, capable of making the most of any environment. The original exposed stitching highlights the mastery of handiwork, which is typical of Arper products. Equipped with a stainless steel structure or, on request, covered in leather.

W21-1/4, D22-1/2, H31-1/8, SH18-1/8
