ISLAND COMPOSITION L. 100 3/4" The counter with a top depth of 43 3/8" is partly cantilevered to incorporate a breakfast bar area. The units underneath are made up of a 35 1/2 undersink unit with two drawers, incorporating waste bins, a dishwasher module and a 35 1/2 oven unit with drawer. A large suspended shelf incorporating extractor and low voltage lighting completes the composition.

KUOCO: THE COLUMNS Pre-assembled columns can be added to complete the workshop composition.
