**Brera** – Design: Peter Maly

A table joins the successful BRERA storage collection. Legs are made of steel finished epoxy aluminum lacquer. The tops extends by means of two panels that slide apart to reveal a matchint leaf. Extra leaves can also be used, but do not store within the table frame.

Top finishes: frosted blass, light or dark brown oak.

W83, D35, leaf: 19-5/8, Maximum Length: 122
