Kaos Q – Design: Antonia Astori

Q Composition of 5 aluminium wall shelves. Depth 11 7/8, width 59. (code 94609528). The natural anodised aluminium shelf fixes straight on to the wall using a full-length sectional under-bracket and two end-pieces. The shelves are supplied cut to length (minimum 11 7/8, maximum 122) or in standard lengths of 17 3/4, 23 5/8, 35 1/2 or 47 1/4, in depths 5 7/8 or 11 7/8. They can be used to build larger shelf compositions.
