Minima – Design: Bruno Fattorini

Free-standing or hanging modular system with sliding screens. The screens, freely positioned along the bays, can be fitted on both sides, stressing their use as a room divider. Available in various heights: 16, 30-3/8, 44-5/8, 59, 73-1/2 and 87-3/4 in the floor-standing version, 15, 29-3/8, 43-3/4 and 58-1/8 in the hanging version. Shelves in the sizes 27-1/2 and 41-3/4, width 15-3/4. Desktop/TV shelf in width 23-5/8. Frame and shelves in natural anodized aluminium. Sides and backs in various finishes: aluminium, black, clear oak. Backs for single and double compartments, also equipped. Sliding screens, in lengths 27-1/2 and 41-3/4 and height up to 5 bays, finished in natural anodized aluminium, clear oak, or glass (red, grey or black). Drawers and large drawers in natural anodized aluminium finish, also equipped.
