

Okura

Sofa (High Back)

Product by Ligne Roset

Equally inspired by its namesake hotel in Tokyo and American mid-century modernism à la George Nelson, the Okura sofa is a contemporary homage to clean, well-proportioned design. Its shape and size are loosely anthropomorphic—a large seat, medium backrest, and slim wraparound armrests—with appropriately rounded edges throughout. Set on a short base of brilliant chrome or black lacquered steel, the Okura appears to hover above the ground. It is available in three sizes with a high or low back, with a matching ottoman as well.

Designed by Eric Jourdan
