

## Tadao

### Dining Chair

**Product by** Ligne Roset

It was from the 1950s that Eric Jourdan drew his inspiration for the Tadao collection. Here, just as with his Okura settee, (2015 collection), he works on the rewriting of a classic model. Eric Jourdan evokes George Nelson and all the American designs of the postwar period. The design of the central base is particularly characteristic of this era. Available with a metal or wooden base.
