Armchair

Product by Ligne Roset

Pronounced "TOI", the shape of this armchair is like a spontaneous and intuitive folding. One wants to own it, it's universal. The base, aerial, like a frame, is attached to the quilted body. The foot rest brings a bonus of comfort and of relaxation. This armchair can present an informal side (in a casual textile), but it can also be found in a chic country home (in wool); finally, when in leather, it can become formal and be discovered in a "business lounge".
